

Results of the STICKY WALL™ Brainstorming Process (in alpha order)

As part of the brainstorming exercise, after each idea was posted individually on the STICKY WALL™. Similar suggestions were then clustered together and labeled; e.g. Features, Design Elements, etc. Attendees were then asked to review all the suggestions posted upon the entire board and identify their top picks with “dots.” The numbers in parenthesis following each idea listed below represents the number of “dots” given for each idea, stressing favorites and priorities.

Design Elements	“Look & Feel”	Functionality / Use	Size & Height	Features	Unresolved Questions
A kiosk statue of an important citizen (1)	Belongs (1)	Cleanscapes access	Arbitrary footprint – can be adjusted down; not larger than 625 sq ft	Sheltering	How is the end-user of this “to-be - built” replacement structure? (1)
Be a focal point (2)	Colorful (3)	Comforting	At least one structure needs to include electrical, water	Stands out; prominent (3)	How to secure tables and chairs? (Separate small enclosed structure?)
Bell Tower or Chime (1)	Compatible	Educational (4)	Connect several moveable structures with temporary roof; allows more options for uses	Unique (10)	How does the structure interact with Art? (3)
Crowning jewel (1)	Festive	Food vendors / refreshments (3)	Height restriction: 100 feet	Visible, but not ostentatious (1)	How to stop illegal, inappropriate behavior occurring in the Park?
Durable (5)	Fits	Functional (1)	Human scale	Visual (2)	Could one of the multiple structures house MID Ambassadors (privately paid guards from the Metropolitan Improvement District) or be an emergency command post for the police?
Easily approachable (4)	Vibrant, inviting (2)	Interactive, informative (9)	Multiple (3?) enclosed smaller structures that add up to the 625 sq ft limit, if budget allows	Water feature; a fountain included for design and tourists to enjoy (3)	Does the budget allow for multiple structures totally 625 square feet?
Easily identifiable (1)		Interchangeable (serving multiple uses) (4)	Not squat (1)	Waterfall Park linkage/access (2)	Will structure be a focal point?
Flags (1)		Multiple use			
Gives identity to Park (5)		Musicals, mini plays, art performances (1)
